To: The Shareholders of the Company

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

The Company had at the AGM held on 14 July 2022, obtained approval from the Shareholders for the renewal of share buy-back authority to purchase up to ten percent (10%) of the total number of issued shares at any point in time through its appointed stockbroker.

The Board had on 19 May 2023, announced to Bursa Securities that the Company proposes to seek Shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 30TH AGM of YHB in accordance with Section 127 of the Act, the Constitution and the Listing Requirements.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Details of the Proposed Renewal of Share Buy-Back Authority

The Board proposes to seek the Shareholders' approval on the Proposed Renewal of Share Buy-Back Authority for the Company to purchase up to ten percent (10%) of the total number of issued shares at any point in time through its appointed stockbroker.

The mandate from the Shareholders for the Proposed Renewal of Share Buy-Back Authority, once approved by the Shareholders, will be effective immediately from the date of the passing of the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority at the forthcoming 30TH AGM and will continue to be in force until:

- (i) the conclusion of the next AGM of the Company following this 30TH AGM at which such resolution was passed; or at which time it will lapse, unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM of the Company after that date is required by law to be held; or
- (iii) revoked or varied by an ordinary resolution passed by the Shareholders of the Company in a general meeting,

whichever occurs first.

2.2 Treatment of the Purchased Shares

The Board may deal with the Purchased Shares in the following manner:

- (i) To cancel the Purchased Shares;
- (ii) To retain the Purchased Shares as Treasury Shares;
- (iii) To retain part of the Purchased Shares as Treasury Shares and cancel the remainder of the shares;
- (iv) To distribute all or part of the Treasury Shares as share dividends to Shareholders;
- (v) To resell all or part of the Treasury Shares on Bursa Securities in accordance with the Listing Requirements;
- (vi) To transfer all or part of the Treasury Shares as purchase consideration;
- (vii) To transfer the Treasury Shares for the purpose of or under an employees' share scheme;
- (viii) To cancel all or part of the Treasury Shares;
- (ix) To see, transfer or otherwise use the Treasury Shares for such purposes as the Minister (as defined in the Act) may by order prescribe; and/ or
- (x) In any other manner as may be prescribed by applicable law and/or regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force.

Immediate announcement(s) and notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board's decision on the treatment of the Purchased Shares in compliance with the Listing Requirements and the Act.

In accordance with Section 127(8) of the Act, if such Purchased Shares were held as treasury shares, it shall not confer:

- (i) the right to attend or vote at meetings and any purported exercise of such rights is void; and
- (ii) the right to receive dividends or other distribution, whether cash or otherwise, of the Company's assets including any distribution of assets upon winding up the Company.

In accordance with Section 127(9) of the Act, if such Purchased Shares were held as treasury shares, the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including, without limiting the generality of this provision, the provisions of any law or requirements of the Constitution or the Listing Requirements on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings.

Nonetheless, Section 127(11) of the Act states that the Purchased Shares shall not be taken to prevent:

- (i) an allotment of Shares as fully paid bonus shares in respect of the Treasury Shares; or
- (ii) the subdivision or consolidation of Treasury Shares.

2.3 Source of Funds

The Board proposes that the maximum fund to be allocated by the Company for the purpose of purchasing its own shares shall not exceed the aggregate of the retained profits of the Company based on the latest audited financial statements and/or the latest unaudited financial statements of the Company (where applicable) available at the time of the purchase.

The retained profits of the Company based on the latest audited financial statements as at 31 January 2023 is RM666 million.

The Proposed Renewal of Share Buy-Back Authority will allow the Board to exercise the rights of the Company to purchase its own Shares at any time within the abovementioned time period using the internal funds and/or external borrowings of the Company.

In the event external borrowings are required, the Board will ensure that the Company has sufficient financial capability to repay such borrowings and that the external borrowings are not expected to have any material adverse effects on the cash flow of the Company. In any event, the Board will ensure that the maximum funds to be used for the buy-back of YHB Shares shall not exceed the retained profits of the Company.

2.4 Implication of the Code

The purchase of YHB Shares pursuant to the Proposed Renewal Share Buy-Back Authority will effectively cause the Shareholders' percentage shareholdings in YHB to increase without any corresponding increase in the actual number of Shares held, assuming all other things being equal.

Pursuant to the Code, a person and/or any persons acting in concert with him ("**PACs**") will be obliged to make a mandatory take-over offer when as a result of a buy-back scheme by the Company:

- (i) a person obtains controls in a company;

- (ii) a person holding more than thirty-three percent (33%) but not more than fifty percent (50%) of the voting shares or voting rights of a company or increases his holding of the voting shares or voting rights of the company by more than two percent (2%) in any six (6) month period.

As at the LPD, the shareholdings of Lim Han Weng and PACs to Lim Han Weng are 29.21%. Assuming the Proposed Renewal of Share Buy-Back Authority is carried out in full and all the Purchased Shares are subsequently cancelled, resulting in the shareholdings of Lim Han Weng and his PACs being affected, Lim Han Weng and his PACs will be obliged to undertake mandatory offer for the remaining YHB Shares not held by them. However, an exemption may be granted by Securities Commission under the Code, subject to complying with certain conditions.

Nevertheless, the Board will be mindful in the implementation of the Proposed Renewal of Share Buy-Back Authority in a manner that will not result in any of the Shareholders having to undertake a mandatory take-over offer pursuant to the Code.

2.5 Previous Purchases and Resale and/or Cancellations of Treasury Shares

In the previous twelve (12) months, YHB has made purchases as listed below from the open market.

Month	No of Purchased Shares	Minimum Price (RM)	Maximum Price (RM)	Average Price (RM)	Total Amount Paid (RM)

February 2023	-	-	-	-	-
March 2023	-	-	-	-	-
April 2023	-	-	-	-	-

As at LPD, YHB held a total of 157,332,500 treasury shares. There was no resale or transfer or cancellation of Treasury Share in the previous twelve (12) months. The Purchased Shares were retained as treasury shares.

2.6 Public Shareholding Spread

The Proposed Share Buy-Back will be carried out in accordance with the prevailing law at the time of the purchase including compliance with 25% public shareholding spread in the hands of public shareholders as required under Paragraph 12.14 of the Listing Requirements.

As at the LPD, the public shareholding spread of the Company is 70.79%. In implementing the Proposed Share Buy-Back, the Company will ensure that the minimum public shareholding spread of 25% is complied with.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The rationale for the Proposed Renewal of Share Buy-Back Authority is as follows:

- (i) it allows the Company to have greater flexibility in managing its capital structure, while the Company shall endeavor to ensure dividends be prioritised as a form of returning capital to the Shareholders;

- (ii) it is an expedient and cost-efficient way for the Company to return surplus cash/funds, if any, which is in excess of the foreseeable financial and investment needs of the YHB Group to its Shareholders;
- (iii) in any event, the Treasury Shares may also be distributed as share dividends to the Shareholders as a reward; and
- (iv) in managing the businesses of YHB Group, the management strives to increase Shareholders' value by improving, *inter-alia*, the return on equity of the YHB Group. The Proposed Renewal of Share Buy-Back Authority is one way through which the return on equity of the YHB Group may be enhanced.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

4.1 Potential Advantages

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (i) enables the Company to take preventive measures against speculative activities particularly when the Shares are undervalued which may in turn stabilise the market price and hence, enhance investors' confidence;
- (ii) enables the Company to utilise its financial resources more efficiently especially where there is no immediate use. Any subsequent cancellation of the Purchased Shares may strengthen the consolidated EPS of the Group, which in turn have a positive impact on YHB's share prices;
- (iii) provide the Company with opportunities for potential gains if the Treasury Shares are subsequently resold at prices higher than the purchase price; and
- (iv) the Treasury Shares may be distributed as share dividends to the Shareholders as a reward.

4.2 Potential Disadvantages

The potential disadvantages/risk factors of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (i) the Proposed Renewal of Share Buy-Back Authority, if implemented, will reduce the financial resources of YHB Group and consequently result in YHB Group foregoing investment opportunities that may arise in the future or any interest that may be derived from depositing such funds in interest bearing deposits; and
- (ii) as the funds to be allocated for the Proposed Renewal of Share Buy-Back Authority must be made out of YHB's retained profits, the amount available from these accounts for distribution of dividend to YHB Shareholders may decrease accordingly.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages or major risk to the Company and its Shareholders as it will only be implemented after considering the interests of both the Company and its Shareholders.

The Board will be mindful of the interests of the Company and its Shareholders when undertaking the Proposed Renewal of Share Buy-Back Authority and in the subsequent resale of treasury shares on Bursa Securities, if any.

5. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The financial effects of the Proposed Renewal of Share Buy-Back Authority on the share capital of the Company, NA, earnings and EPS, working capital and dividends of the YHB Group are as follows:

5.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back Authority in respect of the total number of issued shares will depend on whether the Purchased Shares are cancelled or retained as Treasury Shares.

Assuming that the Proposed Renewal of Share Buy-Back Authority is carried out in full and all the Purchased Shares are subsequently cancelled, the Proposed Renewal of Share Buy-Back Authority will result in the issued share capital of the Company as at the LPD to be reduced as follows:

	<u>No. of Shares</u>
Total number of issued shares as at the LPD	3,063,864,369*
Less: Maximum number of YHB Shares that may be purchased and subsequently cancelled pursuant to the Proposed Share Buy-Back	(306,386,437)*
Resultant issued share capital after cancellation of YHB Shares	<u>2,757,477,932</u>

Note

* Inclusive of 157,332,500 Treasury Shares as at the LPD.

If the Purchased Shares are retained as Treasury Shares, there will be no impact on the issued capital of YHB but the rights attaching to the Treasury Shares in relation to voting, dividends and participation in other distributions or otherwise will be suspended.

5.2 NA

The effect of the Proposed Renewal of Share Buy-Back Authority on the NA per share of YHB is dependent on the purchase price(s) of YHB Shares. When the Company purchases its own Share, regardless of whether they are retained as Treasury Share or subsequently cancelled, if the purchase price is less than the audited NA per share of YHB at the time of purchase, the NA per share will increase. Conversely, if the purchase price exceeds the audited NA per share of YHB at the time of purchase, the NA per share will decrease.

5.3 Earnings and EPS

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of YHB will depend on, *inter-alia*, the actual number of Purchased Shares and the effective cost of funding to YHB Group, or any loss in interest income to YHB or opportunity cost in relation to other investment opportunity if internally generated funds are utilised. However, the Proposed Renewal of Share Buy-Back Authority, if carried out, is not expected to have any material effect on the EPS of YHB for the FYE 31 January 2024.

5.4 Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital and cash flow available for the YHB Group. The quantum of the reduction of the working capital of YHB Group would depend on the purchase price(s) and number of Shares purchased as well as any associated costs incurred in relation to the share buy-back pursuant to the Proposed Renewal of Share Buy-Back Authority. However, it is not expected to have any material adverse effect on the working capital of the Company.

5.5 Dividends

The above Proposed Renewal of Share Buy-Back Authority is not expected to have any impact on dividend payments to the Shareholders, if any, as the Board will take into consideration the actual results of YHB Group, its cash reserves, capital commitment and future funding requirements before proposing any dividend payment. As stated in Section 3(c) of Part B of this Circular, the Board may have the option to distribute future dividends in the form of Treasury Shares purchased pursuant to the Proposed Renewal of Share Buy-Back Authority. The Board is committed to maintaining a prudent approach, ensuring that dividend payments are aligned with the Group's financial performance and business needs.

If the Purchased Shares are cancelled, the Proposed Renewal of Share Buy-Back Authority will have the effect of increasing the dividend rate of the Company as a result of the reduction in the number of issued Shares.

[THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

6. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

For illustration purpose, assuming that the Company acquires the maximum number of Shares authorised under the Proposed Renewal of Share Buy-Back Authority and thereafter cancels all purchased shares, the effect of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Directors and Substantial Shareholders of YHB based on their shareholdings as at LPD, is as follows:

Dear Sir/Madam,

PROPOSED ESS2023 AND PROPOSED ALLOCATION

1. INTRODUCTION

On 5 May 2023, AmInvestment Bank, on behalf of the Board, announced that the Company proposes to establish a new employees' share scheme of up to 10% of the total number of issued shares of YHB (excluding treasury shares, if any) at any point in time during the duration of the Scheme for Executive Directors and eligible employees of YHB Group (excluding dormant subsidiaries).

On 10 May 2023, AmInvestment Bank, on behalf of the Board, announced that the listing application in relation to the Proposed ESS2023 had been submitted to Bursa Securities.

Pursuant to the Proposed ESS2023, the Company is also undertaking the Proposed Allocation.

On 25 May 2023, AmInvestment Bank had, on behalf of the Board, announced that Bursa Securities had, vide its letter dated 24 May 2023, approved the listing of up to 10% of the total number of issued Shares (excluding treasury shares, if any) to be issued pursuant to the Proposed ESS2023 on the Main Market of Bursa Securities subject to the conditions as set out in Section 6 of Part C of this Circular.

Further details of the Proposed ESS2023 are set out in the ensuing sections in Part C of this Circular.

THE PURPOSE OF THIS CIRCULAR IS TO PROVIDE YOU WITH THE RELEVANT INFORMATION ON THE PROPOSALS, TO SET OUT THE VIEW AND RECOMMENDATION OF THE BOARD AND TO SEEK YOUR APPROVAL FOR THE RESOLUTIONS PERTAINING TO THE PROPOSALS TO BE TABLED AT THE FORTHCOMING AGM. THE EXTRACT OF THE NOTICE OF 30TH AGM IS ENCLOSED IN THIS CIRCULAR.

YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR TOGETHER WITH ITS APPENDICES, BEFORE VOTING BY WAY OF POLL ON THE RESOLUTIONS PERTAINING TO THE PROPOSALS TO BE TABLED AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED ESS2023

At present, the Company has an on-going ESS2015 which was implemented on 3 November 2015 and is due to expire on 2 November 2025. The total number of Shares which are available under the ESS2015 is up to 10% of the total number of issued shares of the Company (excluding treasury shares).

Under the ESS2015, the Company generally has been granting awards to eligible participants and vesting the awards over a period of 3 years. The awards, if any, granted now under the ESS2015 would need to be vested and/or exercised before the ESS2015 expires on 2 November 2025.

In addition to the above, the Board has also approved the establishment of an LTIP on 26 June 2019 that entitles eligible persons to receive awards in the form of shares under the ESS2015 or bonus payout in cash (known as the Performance Bonus Scheme). As at LPD, no shares or bonuses have been allocated under the LTIP.

To be able to continue with YHB's current practice of vesting the awards over a 3-year period, the Company proposes to introduce the Proposed ESS2023. As and when the Proposed ESS2023 is implemented, the Company will have in place 2 share incentive schemes for its eligible employees and Executive Directors, i.e. the ESS2015 and the Proposed ESS2023. When the ESS2015 expires on 2 November 2025, the Proposed ESS2023 will be the only scheme in operation. The Company shall not grant further awards under the ESS2015 once the Proposed ESS2023 comes into effect. In any event, the total number of YHB Shares that can be granted under the ESS2015 and the Proposed ESS2023 shall not exceed 10% of the Company's total number of issued shares of the Company (excluding treasury shares). As shown in Section 2.16 of Part C of this Circular, as at to-date, the total outstanding number of awards granted under the ESS2015 is approximately 16.0 million (representing approximately 0.55% of the Company's total number of issued shares (excluding treasury shares)).

The salient terms of Proposed ESS2023 are set out below and the draft By-Laws is attached in Appendix I of Part C of this Circular. The terms of the ESS2015 are available in YHB's circular to shareholders dated 30 June 2015, a copy of which is available on <https://www.bursamalaysia.com/>.

The Proposed ESS2023 will entail the granting to Executive Directors and/or eligible employees of the YHB Group (excluding dormant companies) the following Awards:

- (i) the rights granted to the Scheme Participant to receive new and/or existing YHB Shares ("**Share Grant**"); and/or
- (ii) the rights of a Scheme Participant to subscribe for the YHB Shares at the Exercise Price ("**Options**"),

provided that prior to such specified future date of vesting or exercise, as the case may be, the relevant service condition(s) of the Selected Persons and/or the relevant condition(s) as may be stipulated by the NRC in the Offer, are duly fulfilled unless the NRC otherwise determines.

2.1 Size of the Proposed ESS2023

The maximum number of Shares to be allotted and issued and/or transferred pursuant to the Proposed ESS2023 shall not at any point in time in aggregate exceed 10% of the total number of issued Shares (excluding treasury shares) during the duration of the Scheme.

2.2 Basis of allocation and maximum allowable allotment

The allocation of YHB Shares to Selected Persons pursuant to the Proposed ESS2023 will be determined at the sole discretion of the NRC and subject to the provisions set out in the By-Laws. The percentage allocation of the Share Grant and/or the Options have yet to be determined at this juncture and will depend on amongst others, position, ranking, performance, seniority, length of service, contribution and potential contribution to the continued success of the Group and any other factors deemed appropriate by the NRC.

The NRC shall also have the discretion in deciding whether the Awards are staggered over the duration of the Scheme. The NRC may determine whether the timing for the vesting at their discretion. For avoidance of doubt, the NRC may at its discretion determine whether the granting of the Awards to the Eligible Persons shall be made in one single grant or staggered over the duration of the Proposed ESS2023 and/ or whether the Awards are subject to any vesting conditions including whether there is a need to meet certain performance targets.

Notwithstanding the foregoing, subject to any adjustments which may be made under the By-Laws, the aggregate maximum number of YHB Shares may be allocated to any one category/designation of Selected Person shall be determined by the NRC provided that:

- (i) the Executive Directors and Senior Management do not participate in the deliberation or discussion of their own allocation or person(s) connected to them;
- (ii) not more than 80% of the Maximum Shares available under the Proposed ESS2023 on any date shall be allocated in aggregate to the Executive Directors and Senior Management of the Group; and
- (iii) the allocation to any individual Selected Person who, either singly or collectively through persons connected (as defined in the Listing Requirements) with the Selected Person, holds 20% or more of the total number of issued shares of the Company (excluding treasury shares), shall not exceed 10% (or such percentage as the relevant authorities may permit) of the Maximum Shares.

- (v) if he/she is serving in a specific designation under an employment contract for a fixed duration but not if he/she is merely employed for a specific project;
- (vi) if he/she fulfils any other criteria and/or falls within such category as may be set by the NRC from time to time,

provided always that the selection of any Eligible Person for participation in the Proposed ESS2023 shall be at the sole discretion of the Board and/or the NRC whose decision shall be final and binding.

2.4 Duration of the Proposed ESS2023

The Proposed ESS2023 shall take effect on such date to be determined and announced by the Board following full compliance with all relevant requirements of the Listing Requirements (“**Effective Date**”) and shall continue to be in force for a period of 5 years from the Effective Date (“**Scheme Period**”):

- (v) fulfilment or waiver (as the case may be) of all conditions attached to the above approvals (if any),

provided always that on or before the expiry thereof, the Board shall have the discretion, without having to obtain approval of the Shareholders, to extend the tenure of the Proposed ESS2023 for another 5 years or such shorter period as it deems fit immediately from the expiry of the first 5 years and such extension of the Proposed ESS2023 made pursuant to the By-Laws shall not in aggregate exceed the duration of 10 years from the Effective Date. For the avoidance of doubt, no further sanction, approval, consent or authorisation of the Shareholders in a general meeting is required for any such extension.

2.5 Retention Period

The new YHB Shares to be allotted and issued and/or transferred to the Scheme Participants pursuant to the By-Laws will not be subjected to any retention period unless the NRC stipulates otherwise in the Offer.

The expression “retention period” means the period in which the new YHB Shares allotted and issued and/or transferred pursuant to the Scheme must not be sold, transferred, assigned or otherwise disposed of by the Scheme Participant.

2.6 Share Grant Price and Exercise Price

The Share Grant Price and the Exercise Price shall be at such price as may be determined by the NRC and shall be at a discount (as determined by the NRC) of not more than 10% of the 5-day VWAP of the YHB Shares transacted on the Bursa Securities immediately preceding the Offer Date (or such other basis as the relevant authorities may permit).

2.8 Listing of and quotation for the new YHB Shares to be issued pursuant to the Proposed ESS2023

Bursa Securities had vide its letter dated 24 May 2023 approved the listing of and quotation for such number of additional new YHB Shares, representing up to 10% of the total number of issued shares of YHB (excluding treasury shares, if any) to be issued pursuant to the Proposed ESS2023 on the Main Market of Bursa Securities.

2.9 NRC

The Scheme shall be implemented and administered by the NRC and consisting such persons appointed by the Board from time to time. The NRC shall, subject to the By-Laws, implement and administer the Scheme in such manner as it shall think fit and with such powers and duties as are conferred upon it by the Board.

2.10 Alteration of capital and adjustments

Notwithstanding anything contained in the By-Laws and subject to any applicable laws and the Listing Requirements, in the event of any alteration in the capital structure of the Company during the Scheme Period, whether by way of rights issue, bonus issue or other capitalisation issues, subdivision or consolidation of YHB Shares or reduction of capital or any other variation of capital being effected, the NRC may, in its sole discretion, determine whether:

The approval of the Shareholders in general meeting shall not be required in respect of additions, amendment and/or modification to or deletion of the By-Laws save and except if such addition, amendment modifications and/or deletion would:

- (i) increase the number of YHB Shares beyond the Maximum Shares; or

- (ii) provide an advantage to any Scheme Participant or group of Scheme Participants or all the Scheme Participants unless otherwise permitted under the provisions of the Listing Requirements.

2.12 Acceptance of the Offer

The Offer may only be accepted by the Selected Person during the offer period in such form and manner as may be prescribed by the Company and/or the NRC at such consideration as may be determined by the NRC. The date of receipt by the Company of such form, completed in the manner prescribed by the Company and/or the NRC, shall be the date of acceptance of the Offer by the Selected Person, provided that the Proposed ESS2023 is not terminated pursuant to the By-Laws.

Unless the NRC otherwise decides, in the event that the Selected Person fails to accept the Offer in the manner prescribed within the offer period, the Offer shall automatically lapse and shall be, then, null and void provided that the NRC shall not be precluded from making a fresh Offer to the Selected Person who has not accepted the Offer previously.

2.13 Fees, costs, and expenses

The Company shall bear all fees, costs and expenses incurred in relation to the Proposed ESS2023 including but not limited to the costs and expenses relating to the allotment and issue and/or transfer of the YHB Shares pursuant to an Award and upon the exercise of any Option.

However, each Scheme Participant shall be solely responsible for the brokerage commissions and stamp duty for holding or dealing of the YHB Shares and any taxes (including income tax) which may be levied on him/her arising out of or as a result of such issuance and allotment or transfer of YHB Shares referred to in the By-Laws.

2.14 Termination of the Proposed ESS2023

Notwithstanding anything set out in the By-Laws and subject always to compliance with Bursa Securities and any other regulatory authorities' guidelines or directives, the Company may by notice in writing to affected Scheme Participants, terminate the Proposed ESS2023 at any time during the Scheme Period, whereupon any unvested Share Grant and/or unexercised Options shall be deemed to have been cancelled and be null and void on the date specified in the notice ("**Termination Date**") provided that the NRC may in its discretion, permit the vesting of unvested Share Grant (or any part thereof) in the Scheme Participant and/or the exercise of any unexercised Options by the Scheme Participant at any time prior to the Termination Date subject to such terms and conditions as may be prescribed notwithstanding that:

All Options which the NRC permits to be exercisable pursuant to the By-Laws, shall automatically lapse and shall become null and void to the extent unexercised by the Termination Date.

2.15 Utilisation of proceeds

Any proceeds to be received by the Company pursuant to the exercise of the Options to be satisfied by issuance of new Shares under the Proposed ESS2023 (which will depend on, amongst others, the number of Options granted and exercised at the relevant point in time and Exercise Price) will be utilised for working capital purposes. At this juncture, the Company has not decided on the timeframe for the utilisation of such proceeds.

2.16 Information on the ESS2015

As at the LPD, YHB had granted a total of 45,494,654 options to the eligible directors and employees of the YHB Group since the commencement of the ESS2015, of which 23,075,418 options had been exercised whilst 6,310,655 options had lapsed or been forfeited/cancelled resulting in 16,108,581 outstanding Options.

As at LPD, no shares or bonus payout in cash have been awarded under the LTIP.

The details of the awards under the ESS2015 as at LPD are as follows:

From 2 November 2015 up to the LPD awards under the ESS2015

In accordance with the by-laws for the ESS2015:

- (i) not more than 80% of the new Shares available under the ESS2015 on any date shall be allocated, in aggregate, to the directors (including non-executive directors) and senior management of the Group; and
- (ii) the allocation to any individual Selected Person who, either singly or collectively through persons connected with the Selected Person (as defined in the Listing Requirements), holds 20% or more of the issued share capital of the Company (excluding treasury shares), shall not exceed 10% (or such percentage as the relevant authorities may permit) of the new Shares available under the ESS2015.

3. RATIONALE

The establishment of the Proposed ESS2023 is to:

- (i) position the employees' payout to the Group's business objectives by aligning the interests of the employees to the Group's strategic goals;
- (ii) motivate and retain existing employees as well as attract prospective skilled and experienced employees to the Group by making the total compensation package more attractive; and
- (iii) allow the Eligible Persons to directly participate in the equity of the Company and motivate them to contribute to the future growth of the Group.

4. EFFECTS OF THE PROPOSED ESS2023

4.1 Share capital

The Proposed ESS2023 will not have an immediate effect on the existing share capital of the Company until and unless new YHB Shares are vested and/or the Options are exercised pursuant to the Awards granted under the Proposed ESS2023. The issued share capital of YHB will increase progressively depending on the number of Awards vested and exercised. There will be no effect on the share capital of the Company if the Awards granted under the Proposed ESS2023 are satisfied via the transfer of existing YHB Shares or treasury shares, or settled in cash to the relevant Scheme Participants.

For illustration purposes, the proforma effect of the Proposed ESS2023 on the share capital of the Company could be as follows:

	<u>Number of YHB Shares</u>	<u>RM</u>
Issued share capital as at LPD (excluding treasury shares)	2,906,531,869	2,371,654,727
Issuance of new YHB Shares pursuant to the Proposed ESS2023	(i)290,653,187	(i)680,128,457
Enlarged share capital	<u>3,197,185,056</u>	<u>3,051,783,184</u>

Note:

- (i) Assuming the Maximum Shares under the Proposed ESS2023 are granted and the Awards are satisfied via the issuance of new YHB Shares at an indicative issue price of RM2.34, being 9.8% discount to the 5-day VWAP of YHB Shares up to and including the LPD of RM2.5948.

4.2 NA per YHB Share and gearing

The Proposed ESS2023 will not have an immediate effect on the consolidated NA and NA per Share of YHB based on its latest audited consolidated financial statements as at 31 January 2023 until such time when the Awards granted under the Proposed ESS2023 are vested and/or exercised.

The potential effect on the consolidated NA and NA per Share of YHB would depend on factors such as the number and types of the Awards granted and the fair value of the Awards after considering, amongst others, the Share Grant Price and/or the Exercise Price as well as any vesting conditions; and the mode of settlement, which will only be determined at the time of exercise of the Awards granted. Any allotment and issuance of new YHB Shares and/or transfer of treasury shares arising from the exercise of the Awards granted may have a dilutive effect on the NA per Share of YHB due to the resultant increase in the total number of issued YHB Shares. The Proposed ESS2023 is not expected to have an immediate effect on the Group's gearing level until such time when the Options are exercised. The effect on the gearing will depend on the change in the NA, which in turn will depend on the actual number of new Shares to be issued as well as the Exercise Price payable upon the exercise of the Options.

4.3 Substantial Shareholders' Shareholdings

The Proposed ESS2023 is not expected to have any immediate effect on the substantial shareholders' shareholdings in the Company until and unless the substantial shareholders of the Company are Scheme Participants themselves and/or new YHB Shares are issued pursuant to the vesting of the Awards under the Proposed ESS2023. The potential effect on the Company's substantial shareholders' shareholdings would depend on the number of new YHB Shares issued at the relevant point in time.

If existing YHB Shares are transferred to the Scheme Participants as a mode of settlement for the Awards, there will be no impact on the shareholdings of YHB's substantial shareholders unless such Scheme Participants are also substantial shareholders of the Company. If the Awards are settled in cash, there will be no effect on the shareholdings of YHB's substantial shareholders.

For illustration purposes, assuming the Maximum Shares under the Proposed ESS2023 are granted, and the Awards are satisfied via the issuance of new YHB Shares, the pro forma effects of the Proposed ESS2023 on the substantial shareholders' shareholdings are as follows:

Substantial Shareholder ⁽ⁱ⁾	As at LPD				After Proposed ESS2023 ⁽ⁱⁱ⁾			
	Direct Interest		Indirect Interest		Direct Interest		Indirect Interest	
	No. of Shares	%	No. of Shares	%	No. of Shares	%	No. of Shares	%

4.4 Earnings and EPS

The Proposed ESS2023 is not expected to have any immediate material effect on the earnings and EPS of the Company until such time when the Awards are granted.

Under MFRS 2 *Share-based Payment* issued by the Malaysian Accounting Standards Board, the potential cost arising from the granting of the Awards, which is measured based on the fair value of the Awards to be determined at the grant date, is recognised as an expense over the vesting period of the Awards, and therefore may affect the future earnings of the Group. For information, depending on the manner in which the Awards are settled, the potential cost may not necessarily represent a cash outflow by the Company.

Accordingly, the potential effect on the EPS of the Group cannot be reasonably determined at this juncture as it would depend on amongst others, the impact of MFRS 2, the number and form of Awards granted and/or exercised, and the various factors that affect the fair value of the Awards to be granted. The fair value of the Awards would in turn depend on, amongst others, the Share Grant Price and/or Exercise Price as well as the market price, remaining tenure of the scheme and volatility of YHB Shares.

If the Awards are settled via allotment and issuance of new YHB Shares, transfer of treasury shares and/or existing YHB Shares, it may result in an immediate dilution in YHB's EPS as a result of the increase in the number of YHB Shares pursuant to the vesting of Share Grants and/or exercise of Options.

The Board will take proactive measures to manage the effect on the earnings and EPS of the Group in granting the Awards.

The estimated expenses of RM0.5 million pursuant to the establishment of the Proposed ESS2023 will be funded by internally generated funds of the Group.

4.5 Convertible Securities

As at the LPD, the Company has the following convertible securities:

- (i) 361,802,016 outstanding warrants issued by YHB expiring on 21 June 2025 (“**Warrants**”) which have yet to be exercised; and
- (ii) 16,108,581 outstanding options from ESS2015 expiring on 2 November 2025 (“**2015 Options**”) which have yet to be exercised,

As stated in Section 2 of Part C of this Circular, as at LPD, no shares or bonuses have been allocated under the LTIP.

Save for the above, the Company does not have any other convertible securities in issue as at the LPD. For information, the Proposals will not result to any adjustment to the Warrants pursuant to the deed poll dated 12 May 2022.

6. APPROVALS REQUIRED

The Proposed ESS2023 is conditional upon the following approvals being obtained from:

- (i) Bursa Securities for the listing of and quotation for the new YHB Shares to be issued arising from the granting of Awards obtained vide its letter dated 24 May 2023 and subject to the following conditions:

No.	Conditions	Status of compliance
1.	YHB is required to submit a confirmation to Bursa Securities of full compliance of the Proposed ESS2023 pursuant to paragraph 6.43(1) of the Listing Requirements and stating the effective date of implementation	To be complied
2.	AmInvestment Bank is required to furnish Bursa Securities with certified true copy of the resolution passed by the Shareholders in general meeting approving the Proposed ESS2023	To be complied
3.	YHB is required to furnish Bursa Securities on a quarterly basis a summary of the total number of YHB Shares listed pursuant to the Proposed ESS2023 as at the end of each quarter together with a detailed computation of listing fees payable	To be complied

- (ii) YHB Shareholders at the 30TH AGM to be convened for the Proposed ESS2023; and
(iii) any other relevant authorities (where applicable).

Compliance of Section 85 of the Act

Section 85(1) of the Act states that:

“Subject to the constitution, where a company issues shares which rank equally to existing shares as to voting or distribution rights, those shares shall first be offered to the holders of existing shares in a manner which would, if the offer were accepted, maintain the relative voting and distribution rights of those shareholders”.

Clause 13(G) of the Constitution states that:

“Subject to any direction to the contrary that may be given by the Company in General Meeting, all new shares or other convertible Securities shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion as nearly as the circumstances admit, to the amount of the existing shares or Securities to which they are entitled. The offer shall be made by notice specifying the number of shares or Securities offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares or Securities offered, the Directors may dispose of those shares or Securities in such manner as they think most beneficial to the Company. The Directors may likewise also dispose of any new share or Security which (by reason of the ratio which the new shares or Securities bear to shares or Securities held by persons entitled to an offer of new shares or Securities) cannot, in the opinion of the Directors, be conveniently offered under this Constitution.”

By approving the issuance and allotment of the new YHB Shares in the Company pursuant to the Proposed ESS2023 which will rank equally with the existing issued shares in the Company, the Shareholders are waiving their pre-emptive rights pursuant to Section 85(1) of the Act and Clause 13(G) of the Constitution to be first offered the YHB Shares which will result in a dilution to their shareholding percentage in the Company.
